Subject: 3rd Quarter Water Monitoring

~~FRACOMING~~
~~010151032~~

Eric just called me and said that he and Ken had taken care of the problems with CT&E electronic reports. He said for me to give you the official word.

Officially, 3rd quarter Water Monitoring is complete.

He also said that the 4th quarter should be done later today. However, until he says ok I won't e-mail you the official word. Probably tomorrow.

Thanks,

Gary Gray
